Co zawiera e-book?

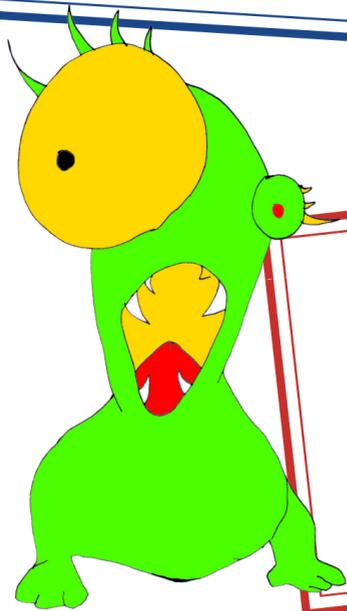

Absurdalne **komiksy** ćwiczące dany **dźwięk**
(2 komiksy, aby przećwiczyć jeden dźwięk).

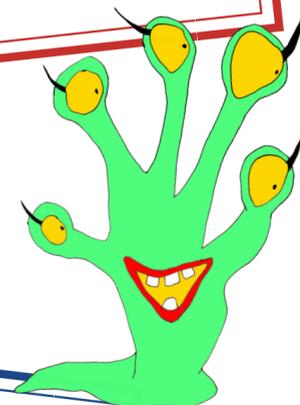

Każdy mini komiks zawiera
słowniczek, w którym można zapisać
znaczenie kluczowych wyrazów.

Na dole komiksu są słówka, które
należy **połączyć** z ich polskim
odpowiednikiem!

Na końcu strony czeka jeszcze
ostatnie wyzwanie – **łamaniec**
językowy utrwalający dany dźwięk!

Dla dzieci starszych – całe komiksy!
Dla dzieci rozpoczynających swoją
naukę z czytaniem – krótsze
wypowiedzi potworków w dymkach.

Jak mogę korzystać z e-booka?

1. Z e-booka może skorzystać każdy.

Książka powstała z myślą również o tych, którzy nie mają styczności z językiem angielskim, a chcą pomóc swoim dzieciom w opanowaniu tej ciężkiej umiejętności – czytania w obcym języku oraz wymawiania dźwięków, które niekoniecznie są takie same jak w języku polskim.

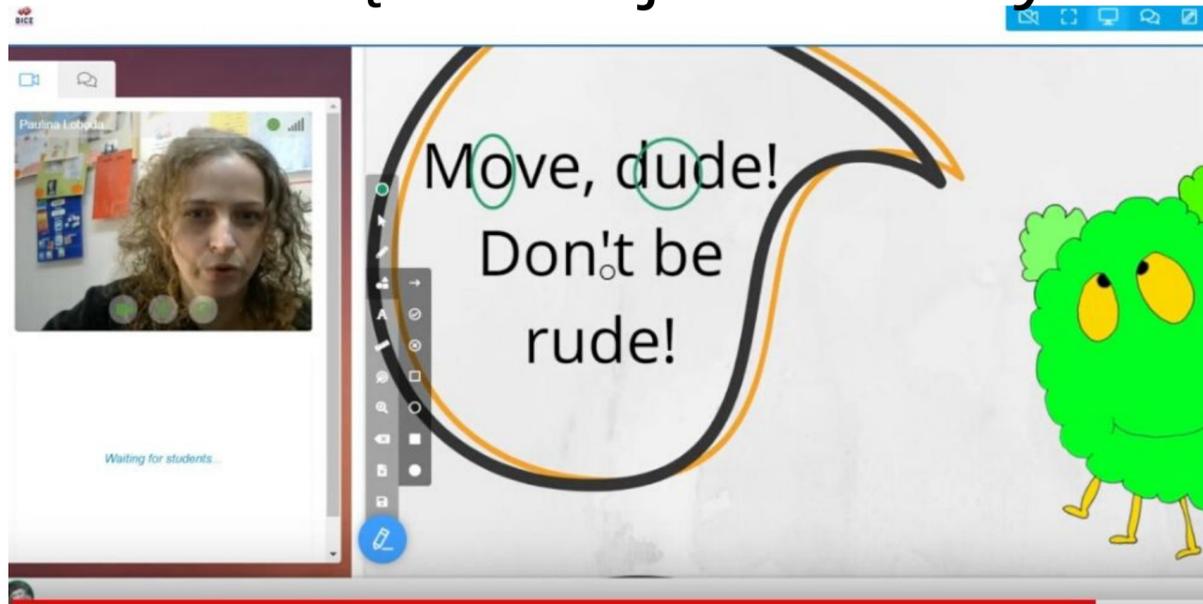

Rodzicu!

Specjalnie dla Ciebie (i Twoich dzieci) przygotowałam filmy na youtube przedstawiające, jak **ja czytam** wybrane komiksy i jak powinien **brzmieć** dany dźwięk. Mam nadzieję, że pomoże to Twojemu dziecku w opanowaniu tej ciężkiej umiejętności!

Nauczycielu!

Wszystkie moje komiksy mogą być użyte przez Ciebie na lekcjach. Zadawaj je **regularnie** dzieciom do ćwiczenia, a zobaczysz, jak fajnie można **wypracować** podstawowe czytanie w języku angielskim!

Zapraszam Cię na mój kanał na youtube:

Znajdziesz odnośnik do filmów na mojej stronie:

www.angielski-dice.pl

2. Ponieważ sama jestem wzrokowcem, wiem, jak wielkim ułatwieniem jest dla nas używanie różnych **kolorów** w nauce. Dla lepszego zapamiętania, każdy dźwięk dostał ode mnie inny kolor:

o:

3:

a:

i:

u:

Wszystko czytane w ten sam sposób jest zaznaczone tym samym kolorem!

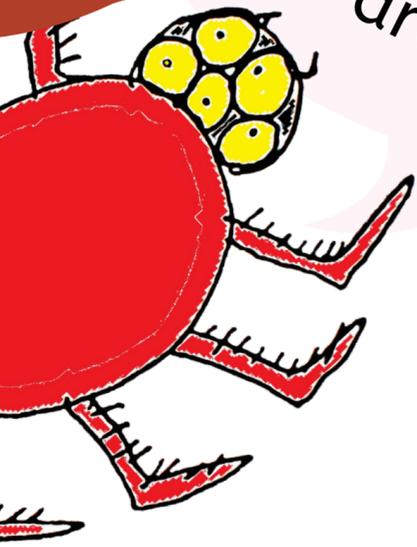

3. Chcesz dowiedzieć się **więcej**? Skorzystać z mojego banku **naklejek**, który ja wykorzystuję na zajęciach? Zapoznaj się z moim drugim e-bookiem dotyczącym samogłosek długich:

4. Wszystkie moje e-booki są w formacie .pdf, co znaczy, że mogą być wykorzystywane do lekcji **online/zdalnych!**
